Our school strategies are showing substantial progress toward our targets

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds. Strategies implemented include:

- building teachers' ability to interpret data, identify and implement effective teaching practices and differentiate effectively
- better preparing and supporting teacher aides to consolidate student learning in numeracy and literacy
- embedding the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice/action learning
- co-teaching in classrooms to support differentiated pedagogy
- developing and implementing a whole school Tier One and Tier Two approach to teaching reading
